Be on the radar. [redacted] sent a message to SRC and we need to hear back very soon to decide if we are going to proceed with the meeting. What about if SRC doesn't have access? That would be a problem.

From my notes, the cases didn't seem that hard. Maybe one will be challenging. I'd prefer not to cancel since these cases are already delayed due to the CBI shutdown. I sent a message to SRC to see if they are ready but haven't heard back yet.

is doing pre-hazard today, but he doesn't have access to the CBI LAN. I think we need to cancel the meeting. the main EPA assessor can work on his cases.
